

Sustainability Policy

DEEPAK NEXGEN FEEDS PVT LTD is committed to conducting its business in a responsible and sustainable manner, with due consideration for environmental protection, social responsibility, and long-term resource availability. As a leading shrimp feed manufacturer, DEEPAK NEXGEN FEEDS PVT LTD recognizes its role in supporting sustainable aquaculture and responsible supply chains.

Responsible Sourcing of Ingredients

DEEPAK NEXGEN FEEDS PVT LTD ensures that all raw materials used in feed production are sourced responsibly and in compliance with applicable legal and regulatory requirements. The company gives priority to suppliers who demonstrate responsible environmental and social practices.

- **Plant-Based Ingredients:**

DEEPAK NEXGEN FEEDS PVT LTD is committed to increasing the procurement of soya from **certified and responsibly managed suppliers** in the coming years. Preference will be given to suppliers who can demonstrate traceability, legal compliance, and responsible land-use practices.

- **Marine Ingredients (Fish Meal and Fish Oil):**

Fish meal and fish oil used in DEEPAK NEXGEN FEEDS PVT LTD' products are increasingly sourced from **sustainable fisheries**, including suppliers participating in **Fishery Improvement Projects (FIPs)** or equivalent sustainability programs.

DEEPAK NEXGEN FEEDS PVT LTD aims to progressively reduce dependence on marine ingredients by:

- Increasing sourcing from verified sustainable sources, and
- Exploring and adopting **alternative sustainable protein and oil sources** to replace conventional fish meal and fish oil where technically and nutritionally feasible.

Continuous Improvement and Commitment
